⚙ Comments

Light indicators:
• Blue LED: standard mode.
• Red LED: low battery.

Paper length can be adjusted in 3 levels (21/24/27 cm) as well as the delay between services (1/2/3 seconds), shown by flash frequency.

It can work either on batteries (4 x LR20) or connected to the mains supply (100-277V) with a 5.5-mm jack cable

2 operating modes:
• Automatic: it dispenses paper when it detects hands.
• ECO: the sensor stops working and it dispenses 1 service when the one dispensed before is used.
